

# Enac Beamer theme example

**Gautier Hattenberger**

2018

# Outline

## 1 First section

- First subsection
- Second subsection

# What a nice frame

You can use this theme with rectangle (default) or rounded blocks with the option *rounded*

block

this is how a block looks like

exampleblock

same for example block

alertblock

or for **alert block** if it is really important

# Yet another frame

A list

- item 1
- item 2

An enumerate

- 1 enum 1
- 2 enum 2

An equation

$$E = mc^2$$
